

What is the ACCC?

The American Council of Christian Churches is a fundamentalist multi-denominational organization whose purposes are to provide information, encouragement, and assistance to Bible-believing churches, fellowships, and individuals; to preserve our Christian heritage through exposure of, opposition to, and separation from doctrinal impurity and compromise in current religious trends and movements; to protect churches from religious and political restrictions, subtle or obvious, that would hinder their ministries for Christ; and to promote obedience to the inerrant Word of God.
